Definition

The sport school of the Ecole de Voile de Trébeurden is the ideal training and reception facility for all sailing beginners who wish to improve their sailing skills by eventually tackling competition. It is the sporting extension of the introduction to sailing. It is, if the child desires, a soft start into local level competition (3rd division) which can be continued into departmental level competition (2nd division).

Goals

The Ecole de Voile de Trébeurden wishes to promote the Sport School by stating that sailing, even though a single-handed activity (optimist, windsurf) or double-handed (catamaran), must be considered as a team sport within the Sport School. Its vocation is to allow everyone to progress in the practice of sailing with pleasure.

The leisure-time sailing for adults is the ideal training and reception facility for teenagers and adults who wish to begin or improve in sailing. An instructor per half-day will offer you new sensations, new discoveries and new performances. For parents of children in Sport School, identical hours allow you to sail alongside on a boat for adults.

On the programme

Every navigation is a new discovery!

The wind comes from the South?

- Let's explore Lannion Bay, La pointe du dourven and the square beach? The port of Locquémeau? The Plestin bay or why not Locquirec and its Pointe du Château?

The wind comes from the West?

- Let's go offshore! A short drive from the Taureau, the Four or even the Crapeau Beacon to the Plateau de la Méloine? Should we pass west of Molène?

The wind comes from the North?

- Let's sail around the islands... A stroll to Ile Grande? The channel between Losquet and Canton? The channel between Canton and Ile Grande with its beautiful bay? Should we sail between Molène and Losquet and go to the Triagoz?

The wind comes from the East?

- Let's discover the coast. Should we visit Landrellec bay? Th Coz pors in Trégastel and Ploumanach? We sail back up the Leguer to Beg Hen and the Yaudet...

No wind?

- Let's make a great stroll in kayak or paddle to Molène...

A lot of wind?

- We stay in Tresmeur bay, but we make great speed edges...

Cold?

- We sail an hour and then warm up over drinks...
